CIRCULATION :

Number of volumes loaned, 2,705
Number of fiction loaned, 2,355
Number of non-fiction loaned, 350
Number of periodicals loaned, 1,821
Attendance, 1,501

The attendance has been very good the past year, but few paid books have been put out, as people's time and money have been used in Red Cross work.

Mrs. Richardson had the building painted three coats outside, also the reading room redecorated.

The library was closed eleven days on account of influenza.

Our circulation was less this year, owing to the fact that we have had no new books.

Lisbon in its branch library at Sugar Hill has one of the best as well as beautiful small Libraries in the state. Let us hope that it may be maintained in a manner worthy of the generosity which made it possible.

Respectfully submitted,

JERUSHA ELIZABETH PARKER, Librarian.

The Richardson Memorial Library has completed another year of service and with few incidents of special note.

In November we were visited by Miss Grace Kingsland of the State Library who was much pleased with the work of the library especially with our children's room.

I would especially thank Mr. and Mrs. Carl Hoskins for the magazines they so kindly gave us last fall and wish I could tell them of the pleasure they bring to many a "shut-in" these long winter days.

I would express my gratitude to the board of trustees for their help in all matters pertaining to the interest of the library.

Respectfully submitted,

JERUSHA ELIZABETH PARKER, Librarian.

Mrs. Mildred Clough has acted as assistant librarian since last May and has proved very efficient.

Through the generosity of the Board of Trustees the librarian was enabled to attend the Library Summer School which was held at Durham, Aug. 16-21. It was a week of great profit and pleasure.

The library has been the recipient of over 40 books from the estate of the late Mrs. J. G. Moore, the gift of her brother, Mr. Charles Shipman of Montpelier, Vt. Also, a roll-top desk. Mrs. Grace Walker has also presented the library with a bust of "Clytie."

The library has been liberally patronized during the year, as will be seen by the circulation.

Respectfully submitted,

NETTIE LOUISE KELSEA, Librarian.

Lisbon, N. H., Feb. 16, 1921.

The latter part of October a meeting of the Trustees was held at the Sugar Hill library. Combined with this meeting was a tea given by Mrs. Richardson and Miss Parker. The Trus-

tees inspected the library and expressed much satisfaction with its condition and management. Miss Kelsea, together with the wives and husbands of the trustees, were included in the party. The occasion afforded a delightful opportunity for the trustees to become better acquainted with the work of the Sugar Hill Branch and with those especially interested in its welfare.

It is with much pleasure that I write this my thirteenth annual report of the library. The increase in attendance and circulation is most pleasing, but best of all is the fact that I can report a visit to the library by all the trustees and Miss Kelsea during the year.

The work of making scrap-books for the Boston Children's Hospital has been taken up by the children, and many a day they will gather from the age of 4 to 15 and work for hours. It not only affords them amusement but teaches them to be thoughtful of others.

I wish I had the space to explain to all who receive this report the wonderful work that is being done in Boston along these lines to brighten the lives of the many sick children. I will be glad to explain the scrap-books more fully to any one wishing to take up the work.

I wish to thank the Board of Trustees for their help the past year and for their kindness in sending Miss Ruth E. Bowles to Summer school.

Respectfully submitted,

JERUSHA ELIZABETH PARKER.

Artemas Ward, the First Commander-in-Chief of the American Revolution, is the gift of the New England Historical Genealogical Society.

Simon Bolivar is also a gift.

The charging system is in process of being changed to the book pocket system. A new card catalog case has been purchased, and to the author and title a complete dictionary catalog of all the books is soon to be written. It may be of interest to patrons of the library to be reminded that desired books, not in the library, can be borrowed from the State library by payment of the postage. Application should be made to the librarian.

Non-residents of Lisbon can have the privileges of the library by the payment of 50 cents per year.

Mrs. Mildred Clough has very ably filled the position of assistant librarian, and is of invaluable aid to the students in their outside reading.

Miss Kingsland read an instructive paper before the Woman's club in November, and afterwards met the trustees and librarians in an informal way and gave much needed information on library economy.

The library has completed another year of service and with few incidents of special note.

Gifts of various kinds have been contributed during the year that not only brings much pleasure to the librarian but to all that enjoy the hospitality of our little building.

It is with much pleasure that I can report that Mrs. Richardson, who has been very ill for so long, is recovering rapidly at her winter home in California, and plans to be back with us in the early summer.

I would express my gratitude to the board of trustees for all help in all matters pertaining to the interests of the library the past year.

Respectfully submitted,

JERUSHA ELIZABETH PARKER, Librarian.

Report of the Librarian to the Trustees of the
LISBON PUBLIC LIBRARY

LADIES AND GENTLEMEN:

The change in the charging system gives each borrower from the library the privilege of taking several books instead of one fiction and one non-fiction book as allowed by the cards. Hence, as will be seen by the circulation, more books than ever have been borrowed. The very general use of the library by the teachers and pupils of the public school has been gratifying. Generous use, also, has been made of the State library books by the D. A. R. members.

The library contains 5,372 volumes, 100 "dead" books having been removed. One hundred and forty-nine have been added, 60 are being rebound, and two have been replaced.

The registration is 72.

Donors to the library are: Mrs. Oliver, 2 books; Mrs. Hoskins, 1 book; Mr. Wack, 1 book; South Manchurian R. R., 1 book; Mrs. Payne, Mrs. Brigham, Mr. Hadley, magazines.

The list of periodicals, including the gifts, for the reading room and for circulation, is as follows:

A. L. A. Booklist, American Magazine, Arts and Decoration, Atlantic, Bookman, Century, Current Opinion, Dearborn Independent, Granite Monthly, Independent, Illustrated Review, Ladies' Home Journal, Library Bulletin, National Geographic, Our Dumb Animals, Outlook, Popular Mechanics, Readers' Guide to Periodical Literature, Review of Reviews, St. Nicholas, Woman's Home Companion, World's Crisis, Zion's Herald.

The circulation for the past year was:

Books and periodicals loaned, 12,020
Volumes fiction loaned, 9,449
Volumes biography loaned, 313
Volumes history loaned, 151
Volumes geography loaned, 137
Volumes poetry and drama loaned, 139
Volumes literature loaned, 114
Volumes other classes loaned, 293
Volumes periodicals loaned, 1,241
Bound volumes loaned, 183

Of the total number of books issued 2,586 were juvenile.

Respectfully submitted,

NETTIE LOUISE KELSEA, Librarian.

The year ending February 15, 1923, again shows in a remarkable manner the steadily increasing usefulness of the Richardson Memorial Library to the public. Miss Emily Burr has presented us with nine framed prints of American and English poets. Mrs. Charles A. Rich has presented us with several books to be used as replacements.

To the change in library rules in regard to books is largely due the increase in circulation and attendance.

To those who have in any way contributed to the Library I wish to express my gratitude.

Respectfully submitted,

JERUSHA ELIZABETH PARKER, Librarian.

RICHARDSON MEMORIAL LIBRARY

SUGAR HILL, N. H.

TO THE BOARD OF TRUSTEES:

Ladies and Gentlemen: The library contains 4,878 volumes, not including government reports and bound magazines. This year 299 books have been added, all by gifts, as follows: State of New Hampshire, 14; Rev. E. A. Tuck, 7; Miss Dorothy Cornell, 8; Dr. Leo Greene, 10; Mrs. E. E. Tipple, 8; Mrs. Bruker, 3; Mrs. Richardson, 18; A Friend, 1; Alice M. Wheeler Estate, 207.

The list of periodicals including the gifts is as follows: A. L. A., Booklist, Library Journal, American Journal, The Ladies' Home Journal, Woman's Home Companion, Illustrated World, Cosmopolitan, Modern Priscilla, Pictorial Review, Granite Monthly, Scribner's, Christian Herald.

The circulation for the past year was:

Books and periodicals loaned, 6,108
Number of fiction loaned, 2,543
Number of non-fiction loaned, 490
Number of periodicals loaned, 3,075
Attendance, 2,674
Fines and dues, $7.16

The ever-decreasing population shows plainly in the attendance and circulation the past year. The interior of the building has been decorated. Five framed prints of Venice and one of Melrose Abbey have added much to the building.

By the will of the late Alice M. Wheeler the library received her entire collection of books, part of which, 207, have been received. Many of them are in sets and in beautiful bindings.

It is with regret that I have to report that Mrs. Richardson, donor of the library, has given up her home on Sugar Hill, but her interest in the library is as keen as ever, as shown by her generous help in redecorating and the Christmas books received.

To the board of trustees I extend my thanks for their hearty co-operation. Miss Julia E. Palmer has been my assistant the past year and has proved most satisfactory.

Respectfully submitted,

JERUSHA ELIZABETH PARKER, Librarian.
